MEMORANDUM FOR: [REDACTED]

25X1

FROM

:

[REDACTED]  
Assistant Legislative Counsel

SUBJECT

:

Liaison Briefings for the DCI

1. (C) My understanding of the purpose of the attached briefing book is that it was to:

a. educate the DCI on the purpose(s),  
scope(s), [REDACTED]  
relationships that CIA has, and

25X1

b. provide the DCI with the informational  
wherewithal to brief the House  
Permanent Select Committee on  
Intelligence

2. (S) I suggest that the book could be improved significantly by:

a. removing much of the fluff and  
excessive tabulation

b.

[REDACTED]

25X1

c. coordinating any SIGINT aspects of the  
briefing materials with OSO, whom apparently  
never saw the attached briefing papers.

I gather that the IC Staff did see the papers and took strong exception to many of the SIGINT portions.

3. (U) We now are operating on a fairly short time fuse in that whatever briefing paper is eventually provided to the DCI will have to be up to him by 31 March.

Attached is a note to the DCI intended to orient him to the material contained in the briefing papers. The briefing papers themselves do, it seems to me, flow rather logically and I think he was perhaps put off by the fact that they are chopped up into various tabs. I think once he gets into it he'll see the logical progression.

The comment I make in paragraph 4 about not throwing the SSCI procedure before HPSCI as an example to follow was given to me by Lyle Miller, so OLC should have the last say as to whether we actually make this point to the DCI.
